THE LIGHT**

What is "Breaking Out the Light?"

Many of you recognize that Trinity Fellowship Church has been a hidden gem in Tyler since its inception nearly four decades ago. TFC has been a place of refuge and refreshment for believers to experience God's presence and to grow in His strength.

God has kept Trinity under a rock, so to speak, for such a time as this: The Last Days. People are turning away from their religious roots by the thousands every day. As selfishness and an anti-God, anti-Christ spirit rise up in our nation, the Church needs to reach out like never before. There has never been a greater sense of urgency in the lifetime of Trinity, for people to come to the understanding and experience of God's presence, than there is right now!

God is calling us to reach out. He is removing the covering off of Trinity and breaking out the light and setting it upon a hill for all to see. As the first rays of dawn reach out the splinter the darkness, we too shall reach into our communities and our neighborhoods to spread His light to those in darkness and despair.

Join us as we embark together on a journey of prayer by seeking the Lord's voice and desiring steadfast obedience to His call!

How Do We "Break out the Light?"

This Vision Campaign is multifaceted to prepare for what God is about to do in this community:

- 1** We will prepare our hearts through fasting and prayer, so that we may clearly hear what He is asking of us.
- 2** We will develop Assimilation Teams to incorporate all those that will be coming into the body.
- 3** We will increase our facilities to help with the harvest: in salvations, discipleship, and building community.
- 4** We will increase our capacity to help the poor through our Love-in-Deed ministry.
